## Bits and Pieces

I hope you all had a great Thanksgiving! The Christmas Season is now upon us and at least we don't have to look at Christmas decorations before Halloween. I apologize for the repeated content of this newsletter but I am trying to give Connie a short break as she was driving back to SC this past weekend and will not return until May.\

Thanks to the Webb's who made a nice profit for the club at the November Hunt Test. All your hard work is appreciated as is Darcy's as we did get the approval today for the May11-13<sup>th</sup>, 2018, agility trial. There is little work to be done that day, and it is such a huge financial success and enjoyable to watch! Way to go to all of you.

There is no treasurer's report or minutes as we did not have a November meeting. One thing I do want to mention there is a couple errors in the Annual Award list. They will not affect the applications, but the sponsors were incorrect. This will be adjusted when Donna and I make sure that we are right. The corrected awards will be in the next newsletter, but I am enclosing all the other notices. There was an inquiry about applying for obedience and agility awards as the form seems for conformation use. We will try to change all this for next year, but in the meantime, just write the dates, show, and award on a piece of paper or use the same one and just improvise.

The Christmas is THIS SATURDAY!!!! Details are on the flyer, and we hope to see you there! Once again we are going to Simon's as this is so much easier for all concerned.

June will be here before you know it and we are still working on odds and ends for 2018 National. This will be discussed at the Christmas party, so please try to join us as we are getting down to the final decisions. I go have the toys that we needed to purchase along with the nice cooler bags that we got at a very reasonable price thanks to the help of one of my sisters. My small spare bedroom is packed with ISCO things as well as LCKC things, Thank goodness I have a loft bed in there that can be used over and under,,,LOL

Paul Spohn is home recuperating from his recent back surgery. Diane says she feels like a caretaker and kennel help. That is pretty much how I am sure Paul felt when Diane had her back surgery. Paul is home though, where Diane spent some time in a rehab facility. Hope you both get through this!

I have to contact the Triers as they have the majority of the green Rubbermaid water bottles for the National welcome bags. More goodies for the Loft Room!

Hope to see you at the Christmas Party!

Jackie
