Bits and Pieces

I hope everyone is doing well during these trying times. Just when you think things are getting better they take a turn for the worse again. We are still up in the air regarding upcoming gatherings such as the Christmas Party and the Annual February banquet as we are still not sure about indoor gatherings although we will check to see what is available.

We had the last meeting at the September Agility Trial and thanks to those who attended and also helped with the trial. We have another agility trial on Thursday and Friday, October 21st and 22nd. We are having a hard time filling the volunteer slots, so please, if you can spare some time, sign up for a shift. I don't think we will take this again next year, but last year we made more at this trial for two days than we did at the three day trial I think more people are more likely to come with a chance at four trials. Here is the link: HELP PLEASE!

There is no October meeting, and the next meeting will be at the November 20th at the Field Trial. Time is approximately 6pm, but confirmation next month on the time and what the cost of the dinner will be.

November 20 & 21 ISCO Fall Field Trials
Silver Dollar Sportsmen's Club, 5040 Secrest Road, Wooster, Ohio 44691

Paul Spohn is doing a bit better but they could not make the agility trial meeting because of a prior commitment.

There was some discussion at the meeting regarding the Specialty and most agreed that the 2 show day worked out well. It is more economical as many hospitality expenses are not needed. We will be looking for judges and if you have any suggestions please let us know. Hopefully, thing will turn out well as things at LCKC are changing.

Thanks to Darcy for taking minutes at the last meeting in the absence of Pat. I finally have hearing aids so hopefully I can actually hear what goes on at the meetings! I forgot to bring the correspondence to the meeting so I will add that to the minutes. I was too busy getting all Ron's reports together as he was at the agility trial, and I forgot mine!
