Bits and Pieces

As you can see by the above meeting notice, the date has been changed due to the Michigan Specialty being the weekend of July 10<sup>th</sup> which some of our members are attending.

Congratulations to our members who attended the National and I have highlighted some of those in this newsletter. If I missed someone please let me know and we can add it next month.

There are no minutes or treasurer's report as there was no meeting.

Our back to back specialties will be held Friday, August 13, at the LCKC show site. The premium has been on our website for a while now, and LCKC's is supposed to be out this week. When it becomes available, I will have Diane add it to our website for convenience as we are having supported entries both Saturday and Sunday. The specialty is coming along and should be nice to have it over in one day! There is a trophy donation page attached. Please note deadline as this is already July and I have only received one! There will be catalog advertising if someone is interested.
