BITS AND PIECES

This will be a quick newsletter as I am a bit overwhelmed with the specialty next week. There are so many last minute things to do. I just had a call from Ron to let me know that there will be no ice available at the shows this year as the company will not deliver the ice machine because they are short handed in the help department. Please if you need ice, bring it in a cooler for your own use. We will have to stop and get some from Walmart on the way out for bottled water and for our own use.

The entries are closed with an entry of 57. The judging program will be posted as soon it is available on our website. If you are entered, you will receive an electronic copy.

We will have a smaller raffle than we usually do, but Mickey has all the baskets from the previous year that we did not use Donna will have coffee and donuts in the morning. Pizza, veggie trays and cupcakes are available for lunch with help from Mary. I was hoping that the COVID19 issue would have been better but it seems to be coming back with a vengeance. We hope to see you there, and I am happy that it will be all over with in one day, and maybe Friday the 13th will be lucky for us!

There will be **no meeting** following the specialty, and the next meeting will be in September. That will be updated later.

Any question- Call my cell-216-978-3565.

Jackie

Never leave home without a kiss, a hug and an “I love you”. Then remove the dog hair from your mouth as you walk to the car.

I think my dog always follows me to the bathroom because I always follow him outside and he thinks that’s the way it works.
