Bits and Pieces

Wow! May already! The main thing we have to worry about at this time is the upcoming agility trials the weekend of **May 10-12th**. <https://docs.google.com/document/d/12UoiiWAQfVdnyid8ybmKook-RJkKkMYN9BFAQA8tJAw/edit?ts=5cc0ef41>. If you didn't save the sign- up sheet previously, the above link will take you directly to it. (Thanks Darcy) This sure makes things simpler. **It was decided at the April meeting to hold the May meeting at this location as members will be there. The time will be 4:00pm. Please try to come! Thanks to all of those who have already signed up! Also, please bring a chair as there are no chairs at this new facility yet. Please bring a snack or food if you want as there is not a concession at this time, There are plenty of places to grab food in the area.**

Ron and I attended the very nice service for John Trier. I had a nice conversation with Connie, and I never knew so many adventures that John experienced during his lifetime. He had a pilot's license which was a bit of a surprise as He had never mentioned that to me. He also worked for Bell and Howell Camera Co. for 35 years and traveled all over Europe to film. We will miss Connie and Ziggy well! Ziggy attended the service and sat in the front row with Connie. John will be missed as he did so much for ISCO and Irish Setters behind the scenes. The Summer Specialty will be dedicated to his memory.

I had a shocking call from Jeannie Wagner yesterday. She "blew out" her knee and is laid up for a period of time. She has appointments coming up to determine the extent of the injury, so we will know more later. I guess we need to get a rolling cart to get her to the agility trial and meeting!

Also, Sinda Effler was in the hospital a couple of days and is now home recuperating. She too will need some upcoming appointments with the doctor. Barb Johnstone was battling shingles and an injured foot and should have the boot off by now. Tom and Barb traded in their trailer for a motor home and just spent a few weeks in Texas with their daughter.

I would like to thank those who sent us a card in the loss of our two beloved Irish Setters in a matter of 6 days in April. One is always hard but two is devastating. Mari was 12 and McClean was just 8 and were the best dogs one could ask for. Tara, McClean's littermate wandered around looking lost. Thanks to Krista Musil she now has a 2 year old boy to play with. A new adventure!

The Spring Field trial was a success even with the weather and netted over \$1,000.00. Thanks to Jeannie and her hard working committee! I cannot imagine how things would have been if Jeannie had the knee injury in March!

Good Luck to all those members who will be traveling to North Carolina for the 2019 National. We hope you have a safe trip and a successful time with your Setters!

The summer shows will be here before you know it. Greg made a nice copy of all the judges for both ISCO and Lorain. I will add it to this newsletter. I am sure it can also be found on the website.

Enjoy spring, and I hope to see some of you at the agility trials!

Jackie

Irish Setter fans of a certain age may very well remember the Disney movie "Big Red". This picture was taken at the film's 1962 premiere in Chicago and when someone in the FB group "Irish Setter Lovers" posted it today I just had to copy it so I could share it with all of you. (Can you imagine any movie theater allowing this today? I can't. 😊) Maybe we should all meet and take them to see "A dog's Purpose"
