**Bits and Pieces**

The Specialties are over, and Ron is still working on a financial report, but with the lower entries it is not going to be a profit, but a loss. Thanks to Greg and my great committees who are always there for us. The raffle netted almost \$500.00 thanks to the Lindemans, Mary, Larry and Donna who did their usual fantastic job on the hospitality and stayed under budget! We appreciate all those who gave to the trophy donation, especially to Donna whose name I left off the list in error, and to Bobbi Fisher who generously donated but was too late to get mentioned. We can now say that is behind us, and hope for a better entry next year. We did get some correspondence from the judges.

It is now time to concentrate on the upcoming June National. It is fast approaching and when you say a month instead of a year, we know it is time to get busy as we will need all the help we can get. The September 16<sup>th</sup> meeting will address many issues that need to be finalized. Please try to make it!

Darcy has scheduled another Agility Trial in May, and that is a great fund raiser without too much effort on the members, (except for Darcy's paperwork of course)! All we need is five members present at all times which should not be difficult with so many in the area. Please volunteer well in advance with your availability times. There will be more on this later.

The September field trial has been changed due to lack of judges, etc. Jeannie has an update on this elsewhere in this newsletter. There is also a Fall Hunt Test upcoming which is also noted.

The Christmas gathering will be in December 2<sup>nd</sup>, at Simon's Deli again. This seems so much easier that all of us dragging all the food and having to clean it up after. It will again be the gift exchange as in the past, and just a time to enjoy!

It was nice to see Vince Lindeman out at the Sugarbush shows and looking good. Hope the blood clot issue is now behind him. Hopefully we will see Dan Tylicki at an upcoming meeting and hope he is improving.

Ron did give a report in August after the specialty, but it will not show the specialty report as the all the finances from the shows were not ready.

See you on the 16<sup>th</sup>!  
Jackie

Our fall field trial is coming up on September 23 at Tri Valley Wildlife Area. Due to unavailability of horses and judges we have down sized from two day trial to one day on Saturday and offering training time on Sunday for anyone who is interested in a chance to train on the state grounds. Premium list is available on our website. Since we have already paid out for grounds and there is no refund from the state we are hoping we can at least break even. If we canceled and did not hold an event we would lose our priority

with the state for our date next year. November 11/12 will be our back to back Hunt Tests to be held at Webb's Farm in Circleville, Oh. Premiums will be on our website when they become available.

Jeannie
