Bits and Pieces

There have been so many Sunshine cards sent out recently that I am not sure where to start. Our condolences to Buzz and Betty Cline on the recent loss of Betty's mother at 96 years of age. Our thoughts are with you both.

Shirley Boyer had recent shoulder surgery, and because she was taken off her blood thinner, she developed a clot that blocked blood flow to her brain. She is well on her way to recovery at this time, with physical therapy. She is recuperating at home. Shirley is involved with other clubs so I had many people inquiring about her. Work hard Shirley, we all miss you!

Sinda Effler has developed some complications of infections to her recent ankle surgery. Mariann Downing and Joanne Eging are still at home recuperating from their recent issues. We need to get everyone back on the healthy list before our upcoming events.

The ISCO raffle basket is almost ready to go. Connie will put the final touches on the basket, and transport it to the ISCA National. These baskets are donated by individual clubs with the money generated given to the ISCA rescue program. They could use it as they are still working with the eight Irish Setters that were set loose in the woods to fend for themselves. They were finally all secured after many days of trying. These dogs were all heartworm positive. It is a sad situation, and one only wonders how any human being with any sense could do this.

Donna has agreed to chair the July 11th Puppy Match with a bit of help from me. Larry Payner was checking on a couple of judges, but if you have any suggestions, please let us know now! The application has been sent into AKC. As always, the potluck meeting will be held in conjunction with the match. Please save the date. This has always been a fun time. The locations for both the potluck and the Specialty will be, as usual, at LCKC Park, Oberlin, OH. A match flyer will be distributed as soon as the judges are set.

The Summer Specialty is fast approaching and will be here before you know it. Trophy cards were mailed last week, and your quick response would be appreciated. We have to buy for 2 shows, and donations help immensely. Don't delay, as there is a deadline for your name to be listed in the trophy donation page of the catalog. Connie Plavcan, Sharon Reilly, and Shari Caffo will be gathering names for the patron's Page. If you could send in just a few names, this is one great way to offset the printing of the catalog. \$1.00 per name sure goes a long way. There will also be a Memorial Section that will be printed under "Rainbow Bridge". Diane Spohn, Victoria Lindeman, and Mickey Lindeman will be doing the raffle. We all know what a great financial help that could be. If you have an item you would like to donate, we would appreciate it. Mary Payner and Donna Turchanik will be the hospitality again this year. We don't know what we would do without our workers.

Please remember that this is the last issue of the newsletter until the August issue. Connie takes the month of July off. If you have any questions, please let me know and I will try to help.

Thanks to Dr. Debbie Dennis for her very interesting program on the recent outbreak of leptospirosis. It is nice to have a vet in the club! Maybe we can have her speak again in the fall for those of you who missed it.

See you at the June 19th meeting! **GOOD LUCK TO ANYONE GOING TO THE NATIONAL!**
