## Bits and Pieces

*Once again, we are a bit behind on this newsletter. Connie just got back from South Carolina and I didn't want to put this issue on her plate. I had planned to get to it by Monday, but ended up in the ER after taking a tumble from my family room steps rushing to answer the phone as I was on my way out. Of course, it was a political call! I left thinking I wouldn't vote for them, lol. I was supposed to work the polls and of course I was on crutches and would not be able to. I will be at the agility trial as I am now just on a cane and all I kept thinking was what if it was National week!!!!!!*

*Well anyway, as you all know Darcy is once again chairing the three day weekend of agility trials. It starts tomorrow, Friday, May 11<sup>th</sup>, and will end with the last trial on Sunday. She has done a fabulous job with the volunteer schedule, and if you have not signed up for a time slot, please let her know if you can, or even drop in and relieve someone, and take over for a bit. We have to have 5 on the floor at all times in case of a hearing. If you are on the schedule, or come for any reason, please make sure you sign the log in sheet so that we are confirmed for having the required people present. This is very important as there will be an AKC representative on site. Thanks Darcy!!! This is our financial supplement for the National.*

*Our meeting is Saturday, May 19<sup>th</sup>! Once again we will be working out details for the National. I do not think we will have a meeting in June, but that will be determined at the May meeting. Please come and be ready to volunteer at any available times.*

*As you know, I am chief ring steward at the National. If anyone can help, even to pass out armbands and check people in, please let me know. Ron and Greg can use some assistance too. Greg can use people at the welcome desk and there should be three at a time. I even have 2 of my sisters taking a shift. Bring a friend or relative and help! This is all getting a bit overwhelming!*

*See you in May!*

*Jackie*

## **Braggs**

*CH. Stomar's A Glimmering Light at Dugan Farms,TKN, TKI, TKA and 1<sup>st</sup> leg in graduate novice. I had no idea what all these meant: Tricks Novice, Tricks Intermediate, Tricks Advanced. AKC is sure coming up with some weird things compared to the "old days".*

*Speaking of new things, I entered my Tara in the FAST CAT which was being hosted by LCKC last week, Cat means Coursing Ability Test and she qualified with a 100 yard run in 11 seconds, which according to the time keeper was 19 mph. They chase a white plastic bag, which I must admit she didn't care too much about as her main focus was getting to me standing at the other end! Her ears were flying! It was fun though, and she also did the Barn Hunt and found the rat faster than the terriers! Try some of these new adventures!*
