Bits and Pieces

Well, we had the specialty and I truly believe everyone was appreciative. Everyone complied with the Covid19 precautions without a problem at all. Things were very different as we had no food, no raffle, and no congregations. I have not figured out the finances yet but I feel we are pretty close to breaking even. Things went very smoothly and we had no complaints about anything. Ron worked very hard getting everything ready and had some help from our grandson. A special thank you to Darcy Valente Petroff and Coleen McGee for cleaning up the grounds, taking down the ring, folding up tables, and just general organizing of other exhibitors that were still on the grounds after we left. It was a pleasant surprise for Ron to return to the site and find out the work was already done! It sure made his day! Once again, thanks to all for making our job easier!

Our next event is the agility trials September 18-20th and we plan to have the ISCO meeting at the site at 2:pm on Sunday. Hopefully the weather will cooperate and we can gather outside, If not, we can have a group with masks and distancing in the photo area.

We hope Sinda Effler and Sue Musil are both well on the way to recovery after their recent incidents. Stay well! That also goes for the club, keep safe in these trying times!

Sitting on the couch & my husband sweetly whispered.. "The best part about all of this is that I get to spend more time with you" as I looked over at him lovingly I realized he was talking to the dog not me
