NOVEMBER MEETING CANCELLED! THE MEETING WAS SUPPOSED TO BE HELD AT THE FIELD TRIAL AND WILL NOT BE HELD.

I know there has been talk about the proper way to wear your mask during this pandemic, so I thought it would be nice to give you a demonstration.

Bits and Pieces

Once again, there is not much to discuss as the club is at a standstill. There will be no Christmas party, or Annual Awards Banquet. We are still hoping to have a meeting in February for elections and our required annual meeting, but the place and other issues have not been determined at this time.

Our field trial is this month, November 21-22nd. The premium list can be found on our website along with the Covid19 guidelines. Let's make sure we have a safe and successful trial.

We do have an agility trial scheduled for January 8-10th and the sign- up sheet will be out later. The premium list for this event is also on our website. Please check out these two events. www.irishsetterclubofohio.com

Thanks to Diane for keeping the website current and making sure everything is done correctly.

Dues are supposed to be due by the end of December but it was decided by the board to drop the dues for this year only. The club is in a good place financially and we do have another agility trial coming up in January. There is nothing to discuss as far as the specialty at this time .From what we are hearing this virus may be here until the end of 2021 which may affect many upcoming dog shows as well as other events.

As I write this the wind is blowing, off and on rain and sleet, and just one nasty night! It is supposed to be in the 60's soon, and let's hope the better weather hangs around until the field trial.

In the meantime, stay safe, and follow guidelines until we get through this, and try to enjoy the upcoming holidays.

Jackie

NO DUES THIS YEAR!

I know this is early, but here is the sign-up sheet for the January agility trial.

We may try to have a meeting here after one of the trials.

We also are looking into zoom meetings that are so popular right now.

It was also discussed at the September meeting on how or where we should have the February annual meeting with no awards or dinner.
