## Bits and Pieces

I hope you all enjoyed the nice weather we had until the wind and storms returned. Think Spring and Summer!

There was no March meeting so there will be no minutes and treasurer's report in this newsletter There will be a ZOOM meeting this month. Hopefully we can have an outdoor meeting again soon when the weather is more predictable. **The Zoom meeting will be Tuesday, April 25<sup>th</sup>**, and Darcy will create the meeting to send at a later date.

This is a quiet time since the Field trial is over. They had the horrible, windy, rainy weather on Saturday, and the trial lost money. The report will be in next month.

We will talk about the Summer Specialty at the Zoom meeting, but everything is pretty much ready. I have to work on the premium list, and if you have anything for the raffle, let us know! I am sure Mickey will be ready! I think we will proceed with the pizza for lunch, but may look into a less expensive pizza place.

Good luck to all those preparing for the trip to Kentucky for the National!

Jackie

### **IF IT SHOULD BE . . .**

If it should be that I grow weak, and the pain should keep me from my sleep, then you must do what must be done, for this last battle cannot be won.

You will be sad, I understand, don't let your grief then stay your hand, for this day more than all the rest, your love for me must stand the test.

We've had so many happy years, what is to come can hold no fears, you'd not want me to suffer so, the time has come to let me go.

Take me where my need they'll tend, and please stay with me until the end, I know in time that you will see, the kindness that you have done for me. Although my tail its last has waved, from pain and suffering I've been saved.

Please do not grieve, it must be you who had this painful thing to do; we've been so close, we two, these years, don't let your heart
