

ISCO AGILITY TRIAL MEMBER ATTENDANCE
JANUARY 5,6,AND 7th, 2024

1006 Crocker Road, Westlake, Ohio 44145
(GPS Address: 950 Crocker Rd, Westlake.)

Before you volunteer, please note:

- At least 5 members must be present from 30 minutes before the trial starts (7:30 AM) until the end of the trial each day. Trial Chairperson (Ron Caffo or Darcy Petrof) counts as one of these members and is required on the grounds during the entire trial.
- If you sign up, you must be present for the entire length of your shift unless another club member releases you.

When you arrive and leave the trial, you must sign in or out of the log, which will be kept at the secretary's table (ISCO to provide). This is how we will know who is present and who is not (should we need club action, such as a bench hearing).

- Outside food IS permitted in the building.
- Unentered dogs are allowed on the premises but puppies under 4 months & bitches season are **not** permitted. There will be room for crating.
- Here is a link to the secretary's website with the trial information:
<https://www.pinnacledogsports.com/Agility-Trials---Events.html>

You are encouraged to 'work' the show as well, page 8 of the premium list is a volunteer form but you do not need to sign up to work the show in advance. Volunteer opportunities and information will be provided at the trial and you can learn more or sign up when you arrive for your volunteer shift. By 'working' you may be given tickets for a raffle as well as water and lunch.

- How to volunteer: **Type your name** on the bullet point below in the shift you are available! Anyone can open and edit this document and **it saves automatically, no action needed!** If you have questions or problems, email a club member and we will insert your name to the shift you are interested in working.
